SASKAY READY MIX

Limited Partnership

Specialists providing on-demand concrete mixing and delivery for every construction need.

"It is important that we have an economic arm that is powerful, that is able to help our elders, to help our children within the community, and this is a perfect opportunity to team up and understand what it means to be an economic arm."

- Councillor George Chaffee
(Kwikwetlem First Nation)

Built Better: with Safety Beyond Standards

Safety is the first priority in every element of our work and is the measure of a successful project above all else.

Construction is constantly evolving, and we embrace and invest in best-in-class training, innovative tools, and top-of-the-line equipment to keep our people and projects safe. Our B&B School of Construction offers in-house training programs in a variety of disciplines to better serve our employees.

Saskay Ready Mix integrates all aspects of B&B's safety culture into our daily operations. We embrace B&B's ongoing investment in training through the B&B School of construction.

Together we are stronger as a partnered whole.

As part of our unwavering commitment to collaborating with Indigenous communities, B&B Contracting Group adopts a long-term approach in establishing relationships founded on mutual trust and respect. We take great pride in the strong partnership we have cultivated with the Kwikwetlem First Nation, and we greatly value the trust they have placed in us to honour and preserve their ancestral lands.

Our limited partnership, Saskay Ready Mix is situated on these sacred lands, symbolizes our shared commitment to upholding the significance of Kwikwetlem First Nation's traditional knowledge, historical heritage, and spiritual connection to the territory in which we operate and reside.

By embracing and incorporating their wisdom and cultural values, we aim to create a harmonious synergy that not only benefits our business endeavors but also contributes to the overall well-being and prosperity of the Kwikwetlem First Nation community. We understand the importance of fostering a sustainable and inclusive partnership that supports the long-standing traditions and aspirations of the Kwikwetlem First Nation.
